Dear Valued Patient,

My name is Dr. Kevin Cook, and I am very excited and honored to announce that I will be dedicating myself to taking care of you and your dental health as Dr. Lofstrom transitions into retirement. I feel blessed to have this opportunity to continue the legacy of clinical excellence and care you have come to appreciate as a patient of Dr. Lofstrom. I have known and admired Dr. Lofstrom as a member of the Washtenaw District Dental Society, Francis B. Vedder Society of Crown and Bridge Prosthodontics, and through several mutual colleagues.

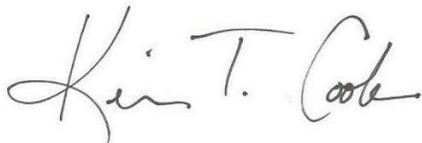

During the past five years, I have worked as an associate dentist for a well-respected practitioner on the west side of Ann Arbor, while maintaining an Adjunct Clinical Assistant Professor appointment one day a week at the University of Michigan School of Dentistry. Owning my own dental practice has been my dream since attending high school in Livonia, Michigan. I began my exposure to dentistry by working at a dental laboratory and a local dental practice. My love and passion for dentistry and patient care continues to grow. It is my goal to offer the finest dental care available in Ann Arbor for the remainder of my career.

My philosophy of care is rooted in a conservative and relationship based approach to managing your dental health. It is founded on trust and a desire to educate you to make the best decisions for your individual circumstances. I enjoy the challenge of tailoring recommendations to fit your needs and treatment goals. I am dedicated to using the highest quality, proven dental materials and local Michigan and American dental laboratories to offer you the best care available. I pride myself on my gentle and compassionate approach to dentistry.

We have initiated a positive change for our patients. I am a participating provider with the Delta Dental Premier network. Patients with Delta Premier, as well as the Delta PPO insurance plans, will be better able to utilize their coverage and benefits.

I look forward to getting to know you and earning the privilege of helping you maintain your dental health for the rest of your life. I invite you to learn more about me at [kevintcookdds.com](http://kevintcookdds.com)

Sincerely,
